### Trimble Ready preparation kits for Liebherr crawler dozers

To whom it may concern.

With this letter Liebherr Werk Telfs GmbH would like to confirm that the Trimble Ready preparation kits for the Liebherr dozer models

- PR 714 Litronic
- PR 724 Litronic
- PR 734 Litronic
- PR 754 Litronic

were developed especially for these dozer models in close co-operation between Liebherr engineers and Trimble specialists. Modules were checked for compatibility with other machine parts. Automatic grade control systems complement the performance of Liebherr dozers.
